NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE TOMPKINS COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company’s application, the Agency hereby finds and determines that:

a. By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act;

b. It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of acquiring, constructing and equipping the Project;

c. The Agency has the authority to take the actions contemplated herein under the Act;

d. The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing employment opportunities in Tompkins County and otherwise furthering the purposes of the Agency as set forth in the Act;

e. facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries;

Section 2. Based upon a review of the Company’s application and the SEQR Proceedings submitted to the Agency, the Agency hereby:

Section 4. The standard Agency Administrative Fee pursuant to the Mission, Policies and Procedures of the Agency is one percent (1%) of the expenses that are positively impacted by the Agency incentives. **The fee for this Project will be one-half of one percent (0.5%).**
