approval of the Financial Assistance contemplated by the Issuer with respect to the Project have been satisfied. The Agency’s determination constitutes a “negative declaration” (as such quoted term is defined under SEQRA) and the Agency hereby ratifies the Negative Declaration issued by the Planning Board.

Section 2. Unless amended by the terms hereof, the Agency ratifies, confirms, reaffirms, restates and incorporated herein by reference as if set forth herein in their entirety, the findings made in the Initial Inducement Resolution and hereby reapproves the Project and the Financial Assistance.
