WHEREAS, the Agent Agreement, the Lease Agreement, the Leaseback Agreement, the PILOT Agreement and related documents have been negotiated and are presented to this meeting for approval and execution.

NOW, THEREFORE, BE IT RESOLVED BY THE TOMPKINS COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:
Section 1. The Company has presented the Application in a form acceptable to the Agency. Based upon representations made by the Company to the Agency in the Application, the Agency hereby finds and determines that:

A. By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

B. It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of undertaking the Project; and

C. The Agency has the authority to take the actions contemplated herein under the Act; and

D. The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing employment opportunities in Tompkins County, New York and otherwise furthering the purposes of the Agency as set forth in the Act; and

E. The Project will not result in the removal of a civic, commercial, industrial or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one (1) or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's Application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries; and

F. The Project involves a Type I action and the Dryden Town Board (the "Town Board"), acting as lead agency and having undertaken a coordinated review, issued a negative declaration with respect to the Project on July 20, 2017 (the "Negative Declaration"); the Agency acknowledges the "hard look" taken by the Town Board with respect to the Project and hereby ratifies the Negative Declaration issued by the Town Board. The Agency further determines that all of provisions of SEQRA that are required to be complied with as a condition precedent to the approval of the Financial Assistance contemplated by the Agency with respect to the Project have been satisfied.

Section 2. The Public Hearing held by the Agency on May 9, 2017, concerning the Project and the Financial Assistance, was duly held in accordance with the Act, including but not limited to the giving of at least ten (10) days published notice of the Public Hearing (such notice also being provided to the Chief Executive Officer of the Affected Tax Jurisdictions), affording interested parties a reasonable opportunity, both orally and in writing, to present their views with respect to the Project.

Section 3. The Agency is hereby authorized to provide to the Company the Financial Assistance in the form of (a) a sales and use tax exempt for purchases and rentals related to the
acquisition, construction, reconstruction, renovation and equipping of the Project, (b) a real property tax abatement structured though the PILOT Agreement and (c) an exemption from mortgage recording taxes imposed on the financing related to the Project by the State (but not as to those taxes imposed on the financing related to the Project by Tompkins County, New York).

Section 4. Based upon representations and warranties made by the Company in the Application, the Agency hereby authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project, that would otherwise be subject to New York State and local sales and use tax in an amount up to $9,631,179, which result in New York State and local sales and use tax exempt benefits ("sales and use tax exemption benefits") not to exceed $770,494. The Agency agrees to consider any requests by the Company for an increase to the amount of sales and use tax exemption benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services. Pursuant to Section 875(3) of the Act, the Agency may recover or recapture from the Company, its agents, consultants, subcontracts, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontracts, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the sales and use tax exemption benefits; (ii) the sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontracts, or any other party authorized to make purchases for the benefit of the Project; (iii) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or (iv) the sales and use tax exemption benefits are taken in cases where the Company, its agents, consultants, subcontracts, or any other party authorized to make purchases for the benefit of the Project, fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project. As a condition precedent of receiving sales and use tax exemption benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, shall (i) cooperate with the Agency in its efforts to recover or recapture any sales and use tax exemption benefits, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

Section 5. Subject to the Company executing the Agent Agreement and the delivery to the Agency of a binder, certificate or other evidence of liability insurance policy for the Project satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the acquisition, construction and equipping of the Project and hereby appoints the Company as the true and lawful agent of the Agency: (i) to acquire, reconstruct, renovate and equip the Project; (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency with the authority to delegate such agency, in whole or in part, to agents, subagents, contractors and subcontractors of such agents and subagents and to such other parties as the Company chooses; and (iii) in general, to do all things which may be requisite or proper for completing the Project, all with the same powers and the same validity that the Agency could do if acting in its own behalf; provided, however, the Agent Agreement shall expire on January 10, 2020 (unless extended for good cause by the Chair, Vice Chair or Administrative Director of the Agency) if the Lease Agreement, the Leaseback Agreement and the Tax Agreement contemplated have not been executed and delivered.
Section 6. The Chair (or Vice Chair) or Administrative Director of the Agency is hereby authorized, on behalf of the Agency, to negotiate and enter into (A) the Agent Agreement, (B) the Lease Agreement, pursuant to which the Company leases the Project to the Agency, (C) the related Leaseback Agreement, pursuant to which the Agency leases its interest in the Project back to the Company, and (D) the PILOT Agreement, provided, that (i) the rental payments under the Leaseback Agreement include payments of all costs incurred by the Agency arising out of or related to the Project and indemnification of the Agency by the Company for actions taken by the Company and/or claims arising out of or related to the Project; and (ii) the terms of the PILOT Agreement are consistent with the Agency’s Uniform Tax Exemption Policy or the procedures for deviation have been complied with.

Section 7. The Chair (or Vice Chair) or Administrative Director of the Agency are hereby authorized, on behalf of the Agency, to execute and deliver any mortgage, assignment of leases and rents, security agreement, UCC-1 Financing Statements and all documents reasonably contemplated by these resolutions or required by any lender/financial institution identified by the Company, and, where appropriate, the Secretary of the Agency is hereby authorized to affix the seal of the Agency to such documents and to attest the same, all with such changes, variations, omissions and insertions as the Chair (or Vice Chair) or Administrative Director of the Agency shall approve, the execution thereof by the Chair (or Vice Chair) or Administrative Director of the Agency to constitute conclusive evidence of such approval; provided, that, in all events recourse against the Agency is limited to the Agency’s interest in the Facility.

Section 8. The Agency’s approval of the PILOT Agreement, after due consideration, is consistent with the Deviation Letter transmitted by or on behalf the Agency on or about April 28, 2017, to each of the Affected Tax Jurisdictions and shall provide a partial abatement from real property taxes with respect to the Facility for a term of thirty (30) years with a fixed annual payment of $6,000 per MWAC, increasing annually by two percent (2%), after which the Facility will be subject to full real property taxes. The Agency’s approval of the abatement and related deviation from the Agency’s policy have been provided to induce the Company to undertake the Project in the Town of Dryden, Tompkins County, New York, which, among other things, will result in (i) the expansion and retention of employment opportunities in Tompkins County, New York and (ii) the provision of clean electricity to be sold to residential and commercial customers. None of the Affected Tax Jurisdictions have provided any comments to the Agency.

Section 9. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the office, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Section 10. All actions heretofore undertaken by the Agency with respect to the foregoing are hereby ratified and approved.
Section 11. Due to the complex nature of this transaction, the Agency hereby authorizes its Chair (or Vice Chair) or Administrative Director to approve, execute and deliver on behalf of the Agency, such further agreements, documents and certificates as the Agency may be advised by Counsel to the Agency to be necessary or desirable to effectuate the foregoing, such approval to be conclusively evidenced by the execution of any such agreements, documents or certificates by the Chair (or Vice Chair) or Administrative Director of the Agency.

Section 12. These Resolution shall take effect immediately.

The question of adoption of the foregoing Resolutions was duly put to vote on roll call, which resulted as follows:
