NOW, THEREFORE, BE IT RESOLVED BY THE TOMPKINS COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. The Company has presented the Application in a form acceptable to the Agency. Based upon representations made by the Company to the Agency in the Application, the Agency hereby finds and determines that:

A. By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

B. The Agency has the authority to take the actions contemplated herein under the Act; and

C. The action to be taken by the Agency will induce the Company to develop the Project in Tompkins County, New York, and otherwise further the purposes of the Agency as set forth in the Act; and

D. The Project will not result in the removal of a civic, commercial, industrial or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State to another area of the State or result in the abandonment of one (1) or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that based on the Company's Application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries; and

E. The Project involves a "Type I" action and the City of Ithaca Planning Board (the "Planning Board"), acting as lead agency and having undertaken a coordinated review, issued a negative declaration with respect to the Project on or about August 25, 2020 (the "Negative Declaration"); the Agency acknowledges the "hard look" taken by the Planning Board with respect to the Project and hereby ratifies the Negative Declaration issued by the Planning Board. The Agency further determines that all of provisions of SEQRA that are required to be complied with as a condition precedent to the approval of the Financial Assistance contemplated by the Agency with respect to the Project have been satisfied.

Section 2. The Public Hearing held by the Agency on December 8, 2020, concerning the Project and the Financial Assistance, was duly held in accordance with the Act, including, but not limited to, the giving of at least ten (10) days published notice of the Public Hearing, affording interested parties a reasonable opportunity, both orally and in writing, to present their views with respect to the Project.

Section 3. The Agency is hereby authorized to provide to the Company the Financial Assistance in the form of (a) an exemption from sales and use tax for the purchase or rentals of goods and services in connection with the Project, (b) a partial real property tax abatement structured though the Tax Agreement, and (c) an exemption from mortgage recording taxes

imposed on the financing related to the Project by the State (but not as to those taxes imposed on the financing related to the Project by Tompkins County, New York).

Section 4. Based upon representations and warranties made by the Company in the Application, the Agency hereby authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project, that would otherwise be subject to New York State and local sales and use tax in an amount up to **\$35,000,000**, which result in New York State and local sales and use tax exemption benefits ("Sales and Use Tax Exemption Benefits") not to exceed **\$2,800,000**. The Agency agrees to consider any requests by the Company for increase to the amount of Sales and Use Tax Exemption Benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services.

Section 5. Pursuant to Section 875(3) of the New York General Municipal Law, the Agency may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any Sales and Use Tax Exemption Benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the Sales and Use Tax Exemption Benefits; (ii) the Sales and Use Tax Exemption Benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the Sales and Use Tax Exemption Benefits are for property or services not authorized by the Agency as part of the Project; or (iv) the Sales and Use Tax Exemption Benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project.

As a condition precedent to receiving Sales and Use Tax Exemption Benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, shall (i) cooperate with the Agency in its efforts to recover or recapture any sales and use tax exemption benefits, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

Section 6. Subject to the Company executing the Agency Documents and the delivery to the Agency of a binder, certificate or other evidence of a liability insurance policy for the Facility satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the undertaking of the Project and hereby appoints the Company as the true and lawful agent of the Agency, pursuant to the provisions of the Agency Documents: (i) to construct, reconstruct, renovate, refurbish and equip the Facility; (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions as the stated agent for the Agency with the authority to delegate such agency, in whole or in part, to agents, subagents, contractors, and subcontractors of such agents and subagents and to such other parties as the Company chooses; and (iii) in general, to do all things which may be requisite or proper for completing the Project, all with the same powers and the same validity that the Agency could do

if acting in its own behalf; provided, however, the Company's status as agent of the Agency and related sales tax exemption letter shall expire on **December 31, 2022** (unless extended for good cause by the Administrative Director or other authorized representative of the Agency).

Section 7. The Chair, Vice Chair and/or Administrative Director of the Agency is hereby authorized, on behalf of the Agency, to negotiate and enter into (A) the Project Agreement, (B) the Lease Agreement, pursuant to which the Company leases the Project to the Agency, (C) the related Leaseback Agreement, pursuant to which the Agency leases its interest in the Project back to the Company, and (D) the Tax Agreement, *provided, that* (i) the rental payments under the Leaseback Agreement include payments of all costs incurred by the Agency arising out of or related to the Project and indemnification of the Agency by the Company for actions taken by the Company and/or claims arising out of or related to the Project; and (ii) the terms of the Tax Agreement are consistent with the Agency's Policy or the procedures for deviation have been complied with.

Section 8. The terms of the Tax Agreement are proposed to contain a deviation from the Agency's Policy. Specifically, the Agency is contemplating a deviation from the Policy as follows: (1) The Company will ensure 10% of the units will be made available to households earning 80% or less of median income for a term of 30 years (per a binding agreement with the Ithaca Urban Renewal Agency) and (2) permitting the Company to make a payment of \$500,000 due to the Tompkins County Community Housing Development Fund in equal installments over the first three years after project completion and (3) the PILOT Agreement shall be for a term of thirty (30) years for the parking garage portion of the Project. Upon due consideration of the Company's Application, and the Project, which will positively impact the health, community, environment and economy of the residents of Tompkins County, New York, by providing long-term affordable housing and other related amenities, the Agency desires to execute and deliver the Tax Agreement and provide for a potential deviation from its Policy.

Section 9. The Chair, Vice Chair and/or Administrative Director of the Agency are hereby authorized, on behalf of the Agency, to execute and deliver any mortgage, assignment of leases and rents, security agreement, UCC-1 Financing Statements and all documents reasonably contemplated by these resolutions or required by any lender/financial institution identified by the Company (the "Lender") up to a maximum principal amount of **\$49,300,000** to acquire, construct and/or and equip the Facility and/or finance or re-finance equipment and other personal property and related transactional costs (hereinafter, with the Lease Agreement, Leaseback Agreement and Tax Agreement, collectively called the "Agency Documents"); and, where appropriate, the Secretary or Assistant Secretary of the Agency is hereby authorized to affix the seal of the Agency to the Agency Documents and to attest the same, all with such changes, variations, omissions and insertions as the Chair, Vice Chair and/or Administrative Director of the Agency shall approve, the execution thereof by the Chair, Vice Chair and/or Administrative Director of the Agency to constitute conclusive evidence of such approval; provided in all events recourse against the Agency is limited to the Agency's interest in the Project.

Section 10. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees,

charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the office, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Section 11. All actions heretofore undertaken by the Agency with respect to the foregoing are hereby ratified and approved.
